Shaun of the Dead. (2004). Color. 100 mins. CC R. Video Released 2004. Featuring Simon Pegg, Edgar Wright, Kate Ashfield. It's often said that the true character of a man is only revealed in times of dire crisis, and for likable, lovelorn loser Shaun (Simon Pegg), that moment of reckoning came when the dead rose from their slumber to feast on the flesh of the living. A hapless electronics store employee who spends most of his spare time downing pints at the local pub with his roommate, Ed (Nick Frost), Shaun's life seems to fall apart when he is dumped by his girlfriend, Liz (Kate Ashfield), and his obnoxious stepfather, Philip (Bill Nighy), shows up to berate him for not being more attentive to his caring mother Barbara (Penelope Wilton) — especially since he forgot to send flowers for her birthday. Things take a turn for the worse when the dead return to stake their claim on the Earth, and though the chaos that follows threatens to swallow up all of England, it's up to Shaun to keep his cool and prove himself once and for all by successfully rescuing Liz and his mother. With his trusty roommate by his side, nothing — not even the living dead — can stand between Shaun and the two most important women in his life. Universal Studios Home Video, Inc. DVD. $29.98.

Sing While You're Able. (1937). Musicals (Feature Films). B&W. 65 mins. Pinky Tomlin, Toby Wing. Toy company mogul G.W. Williams sponsors a radio show that is so hokey & out of touch with its listeners that his sales are dropping with every broadcast. So how do G.W. & flighty society gal daughter Joan respond to his crisis? Why, they go fishing. This brings them to the backwaters of Arkansas where they come upon Whitey Morgan, a hillbilly with a set of pipes that will make him the envy of Bing Crosby. G.W. & daughter promptly sign Whitey to a contract & bring him to the Big City. In the end, you can be certain that Whitey will triumph both professionally & romantically as his sincerity & down-home values rub off on the city-folk. Whitey's "audition" for a blustery talent agent is among the comic highlights. Video Yesteryear. VHS. (Order #: 2089) $24.95.

Sisterhood of the Traveling Pants. (2005). Color. 119 mins. CC PG. Video Released 2005. Directed by Ken Kwapis. Featuring Amber Tamblyn, Mike Vogel, Alexis Bledel. Ann Brashares' best-selling novel for young adults comes to the big screen in this engaging comedy drama. Carmen (America Ferrera), Bridget (Blake Lively), Lena (Alexis Bledel), and Tibby (Amber Tamblyn) are four teenage girls who have been close friends since they were babies (and even before — their mothers all knew each other from attending the same prenatal exercise class). However, fate has dictated that for the first time ever the young women will be spending their summer apart — Carmen will be visiting her father, whom she hasn't seen in years, Lena will be visiting her grandparents in Greece, Bridget is attending a soccer camp in Mexico, while Tibby is stuck working at a discount store. A few days before Carmen, Lena, and Bridget leave, the four go shopping, and while at a thrift shop they discover an unusual pair of blue jeans that, despite the fact they're all of different height and weight, fits all four women perfectly. The girls buy the jeans and pledge to each look after them for a week at a time, hoping they'll bring one another good luck as the girls deal with a variety of new life experiences, both good and bad. Sleepover. (2004). Color. 89 mins. CC PG. (Dubbed: Spanish, French). Video Released 2004. Directed by Joe Nussbaum. Featuring Alexa Vega, Mika Boorem, Sam Huntington, Jane Lynch, Scout Taylor-Compton. Sleepover revolves around one of the hallmarks of female friendship: the all-important slumber party. In hopes of shedding their not-so-cool reputations during the summer before their freshman year, best friends Julie (Alexa Vega), Hannah (Mika Boorem), Yancy (Kalli Flynn Childress), and Farrah (Scout Taylor-Compton) decide to host the sleepover of their lives. Far from a mere pillow-fight-laden girl talk-fest, this sleepover includes an intense scavenger hunt against the most simultaneously loathed and envied young women they know: the infamous "popular" clique. Along the way, the girls manage to hijack a car, sneak into clubs, engage in a first kiss, and learn more than a little bit about themselves and their capabilities — all while evading the watchful eyes of Julie's mother. MGM/UA Home Video. DVD. $26.98; VHS. $19.98.

Soul Plane. (2004). Color. 92 mins. CC R. Video Released 2004. Directed by Jessy Terrero. Featuring Snoop Doggy Dogg, Tom Arnold, Mo'Nique, D.L. Hughley, Method Man. After an excruciatingly humiliating in-flight experience that culminated in a messy breakup and the untimely death of a dog, Nashawn Wade (Kevin Hart) sues the airline for all it's worth. This turns out to be a more than profitable move on his part; the lawsuit brings him a settlement in the hefty amount of 600 million dollars. Eager to prevent his experience from happening to another — and perfectly willing to reap the financial benefits of the cash cow he believes his plan to be — Nashawn decides to launch NWA, an all African American airline complete with sensuous stewardesses, an onboard dance club, and a bathroom attendant. Far be it from giving "flying the friendly skies" a new meaning, however, chaos ensues in the form of a white family with the unfortunate last name of Hunkee. The Hunkee patriarch (as played by Tom Arnold) and his antics prevent the flight from going as smoothly as intended. MGM/UA Home Video. DVD. $26.98; VHS.

Spanglish. (2004). Color. 131 mins. CC PG13. (Dubbed: French). *Theatrical Release.* Video Released 2004. Directed by James L. Brooks. Featuring Adam Sandler, Paz Vega, Cloris Leachman, Tea Leoni. A Hispanic woman and her young daughter are thrown into the middle of a well-to-do but remarkably dysfunctional family in this comedy drama from writer and director James L. Brooks. Flor (Paz Vega) is a single mother who has struggled to support her daughter Cristina (Shelbie Bruce) working as a domestic in Mexico. Hoping to give her daughter greater financial security, Flor packs up their belongings and moves the family to California, but Flor refuses to surrender her Latino identity and opts not to learn English; meanwhile, Cristina quickly learns to speak the language fluently. Flor lands a high-paying job working as a housekeeper for Deborah Clasky (Téa Leoni); Deborah doesn't speak a word of Spanish, but this is hardly the most curious thing about their working relationship. A deeply troubled neurotic who has spent time in a mental hospital, Deborah is at once obsessed with her duties as a wife and mother and utterly clueless to her family's needs, and when she learns that Flor has a daughter, she insists that the girl move in with the Claskys. Flor, however, isn't so sure she wants Deborah Americanizing Cristina, especially when Deborah begins doting on the girl at the expense of her relationship with her own daughter, Bernice (Sarah Steele). Deborah's husband, John (Adam Sandler), is an oasis of loving calm and understanding in the midst of his chaotic family, and Flor becomes attracted to this man who shows no signs of the arrogant machismo she's accustomed to. But John's career as a chef is turned upside down when The New York Times gives his restaurant a four-star review, suddenly turning his small eatery into the "in" spot in Los Angeles. Meanwhile, Flor reaches the end of her patience when Deborah enrolls Cristina into an exclusive private school which Flor is certain will turn her into a typical American child and drive a wedge between Cristina and her mother. Jackson, Liam Neeson, Ewan MacGregor, Keira Knightley, Natalie Portman. In 1999, Lucas returned to the Star Wars saga with a new approach — instead of picking up where Return of the Jedi left off, Star Wars: Episode I — The Phantom Menace would be the first of a trilogy of stories to trace what happened in the intergalactic saga before the first film began. Here, Obi-Wan Kenobi (Ewan McGregor) is a young apprentice Jedi knight under the tutelage of Qui-Gon Jinn (Liam Neeson); Anakin Skywalker (Jake Lloyd), who will later father Luke Skywalker and become known as Darth Vader, is just a nine-year-old boy. When the Trade Federation cuts off all routes to the planet Naboo, Qui-Gon and Obi-Wan are assigned to settle the matter, but when they arrive on Naboo they are brought to Amidala, the Naboo Queen (Natalie Portman), by a friendly but opportunistic Gungan named Jar Jar. Qui-Gon and Obi-Wan plan to escort Amidala to a meeting of Republic leaders in Coruscant, but trouble with their spacecraft strands them on the planet Tatooine, where Qui-Gon meets Anakin, the slave of a scrap dealer. Qui-Gon is soon convinced that the boy could be the leader the Jedis have been searching for, and he begins bargaining for his freedom and teaching the boy the lessons of The Force. Twentieth Century Fox Entertainment. DVD. $19.98.

Stargate Atlantis: Rising. (2004). Color. 88 mins. NR. Video Released 2005. Directed by Martin Wood. Featuring Joe Flanigan, Rachel Luttrell, Torri Higginson. There are those who may regard it as old wine in a new bottle, but that doesn't mean that Stargate Atlantis doesn't have something to offer to both newcomers and fans of Stargate SG-1, the franchise from which it evolved. Co-creators and executive producers Brad Wright and Robert C. Cooper, both of whom worked on the earlier show, have concocted an appealing premise for this spin-off, in which the so-called Ancients abandoned Earth millions of years earlier, taking their city (i.e., Atlantis) with them. Now, a new team has gained access (via the Stargate, the "wormhole" our heroes use to travel to different worlds) to the legendary sunken city, where new adventures and deadly new enemies await. Stargate SG-1 stars Richard Dean Anderson and Michael Shanks make appearances in this series premiere, but the focus is on the new characters. Of these, Joe Flanigan excels as the insouciant Major John Sheppard, an Air Force pilot unexpectedly recruited for the new mission because of his preternatural ability to interface with the Ancients' wondrous technology. The new leader is Dr. Elizabeth Weir (Torri Higginson), a role that is neither especially well-written nor well-played. The new monster-villains, replacing the trusty old Goa'uld, are the Wraith, whose name is actually cooler than they are; they may eat humans, in addition to being all-powerful (natch), but they tend to come off like refugees from The Rocky Horror Picture Show. Overall, the production values and special effects remain top-notch, especially for television, and the story itself is OK. But while Stargate Atlantis is certainly promising, it has a ways to go to equal its predecessor, which remains one of the best-made, most compelling sci-fi programs on television. MGM/UA Home Video. DVD. $25.98.

State Property. Video Released 2002. Directed by Abdul Malik Abbott. Featuring Beanie Sigel, Jay-Z, Damon Dash, Memphis Bleek. One man's efforts to get ahead on the streets lead him into a life of danger in this hard-hitting urban drama from Roc-A-Fella Films, the production company run by top hip-hop artist Jay-Z. Beans (Beanie Sigel) is a member of a Philadelphia street gang who has had enough of his life of poverty. Determined to get ahead by any means available to him, Beans steps to the wrong side of the law and begins selling drugs. Forming a crew with his friends and fellow gangsters called the ABM ("All 'Bout the Money"), Beans and his partners soon become the new rulers of Philly's underground economy. But with success comes competition, and Untouchable J (Jay-Z) and Dame (Damon Dash), the leaders of an establish drug-dealing crew, decide the ABM are taking more than their share of the business, and begin retaliating with violence — with both the ABM crew and Beans' wife as targets. Lion's Gate Publishing. VHS.

State Property 2. (2005). Color. 94 mins. CC R. Video Released 2005. Featuring Beanie Sigel, Mariah Carey, Victor Santiago. Three different crime bosses are locked in a battle over the drug trade in Philadelphia. New York transplant Dame (Damon Dash) and his umbrella crew command a powerful network that controls the city's dope traffic, but he has two bitter rivals who both oversee competing gangs from behind bars — Beans (Beanie Siegel), Philly-born leader of the once-dominant ABM Crime Syndicate, and Loco (Noreaga), a slick street hustler from Miami who has the bankroll to finance a powerful operation. As these three men and their underlings scramble for money and power, another player is quietly consolidating his forces and rising up against them. Lion's Gate Publishing. DVD. $27.98.

The Statement. (2003). Color. 119 mins. CC R. Video Released 2003. Directed by Norman Jewison. Featuring Michael Caine, Tilda Swinton, Charlotte Rampling, Alan Bates, Jeremy Northam. A man who has been able to avoid the consequences of his actions for nearly 50 years suddenly finds he must answer pursuers on both sides of the law in this drama, based on the novel by Brian Moore and inspired by a true story. After France fell to German occupation during World War II, the Nazi-controlled Vichy government established a law-enforcement group known as the Milice, who were under the direct control of Nazi authorities. In 1944, Pierre Brossard (George Williams) is one of a handful of Milice officers who round up and execute seven Jewish resistance members in the village of Dombey. After the liberation of France, Brossard is tried and convicted for his crimes, but he manages to escape capture, and years later is pardoned. In 1992, Brossard (now played by Michael Caine) is an elderly man living a quiet life in Provence and modestly supported by fellow veterans of the Vichy regime when he's ambushed and nearly killed by a man whom he learns was a hired killer. Brossard discovers this is hardly his only problem; new legislation will allow Vichy-era war criminals who escaped punishment to be charged and tried again, and Anne Marie Livi (Tilda Swinton), a bright and aggressive French prosecutor, has joined forces with Col. Roux (Jeremy Northam) to bring Brossard, among others, to justice. While Brossard is still being clandestinely assisted by church officials and Vichy sympathizers, he must go on the run to avoid capture, and finds himself hiding from the French police as well as a cadre of underground assassins, whose alliances and purposes are frustratingly unclear. Sony Pictures Home Entertainment. DVD. $26.96; VHS.

Stepford Wives. (2004). Color. 92 mins. CC PG13. Video Released 2004. Directed by Frank Oz. Featuring Nicole Kidman, Matthew Broderick, Glenn Close, Bette Midler, Christopher Walken. Joanna Eberhart (Nicole Kidman) is a successful television executive until one day her career hits the glass ceiling and crashes to the ground. Looking to take some time off to start over, Joanna and her husband, Walter Kresby (Matthew Broderick), pull up stakes and move to the peaceful suburban community of Stepford. Walter takes to his new environment with real enthusiasm and joins the local men's organization, headed by one Mike Wellington. Joanna, on the other hand, finds that Stepford is just a bit too quiet and well-groomed for her taste, and is taken aback by the aggressively cheerful and servile attitude of Mike's wife, Claire (Glenn Close), and the other women of the community. A notable exception is Bobbi Markowitz (Bette Midler), a happily misanthropic writer who revels in her lack of enthusiasm for housework or exercise. Joanna and Bobbi become fast friends, but as they look closer at the all-too-perfect surfaces of Stepford and its female inhabitants, they slowly discover a terrible secret lurking beneath. Paramount Pictures. DVD. $29.95; VHS. $54.99.

Stuck on You. (2003). Color. 118 mins. CC PG13. (Dubbed: Spanish, French. Subtitled: Spanish). Video Released 2003. Directed by Bobby Farrelly, Peter Farrelly. Featuring Matt Damon, Greg Kinnear, Jesse Ventura, Cher, Eva Mendes. After tackling schizophrenia, obesity, and the inner workings of the vascular system (as represented by an animated Chris Rock), Peter and Bobby Farrelly set their comedic sights on a set of conjoined twins in this broad comedy. Written and directed by the non-twin Farrellys, Stuck on You stars Greg Kinnear and Matt Damon as, respectively, Walt and Bob Tenor, brothers who are so close, they're quite literally joined at the hip. While life in their sleepy, welcoming Martha's Vineyard burgh is comfortable — the Tenor brothers are the quickest short-order chefs in town, unstoppable hockey goalies, and the most unlikely pair of dinner-theater thespians — Walt longs to make good on his lifelong dream of becoming a professional actor. The shy, reticent Bob acquiesces to his self-assured brother's wish to move to Hollywood, in part to meet his longtime Internet romantic interest, May (Wen Yann Shih). The twosome finds Tinseltown to be less accommodating than life back east, however, as Walt and Bob come up against flea-ridden apartments, surly bar patrons, and a paucity of roles for actors with an extraneous person attached to them. Things begin to look up when they run into Cher on a studio backlot: Eager to end her commitment to star in a cheesy detective show, she casts Walt as her co-star, hoping the program will fail. When her plan backfires, however, the brothers find themselves on the cusp of fame and fortune — and consider undergoing the risky surgery that could separate them forever. Twentieth Century Fox Entertainment. DVD. $27.98; VHS.
